

Company Profile

Accessible Legal Solutions

Risk comes from not knowing what you're doing.

Warren Buffet

As your business grows, the risk gets higher and can put your business at unnecessary dispute, loss of potential income, and loss due to default. Law Firm is the best answer, but the price is always a problem. Libera is here to give you a great legal solution with cost-efficient pricing.

What Makes Us Different?

We are aware that clients expect a reliable team to help them complete a business transaction, protect their business interest, and guide them before making business decisions. Hence, trusting us can save your time so you can focus on leading your company.

Our Value.

Business Practice Oriented

We have worked with hundred of clients from various industries which allows us to have a rich understanding on business risk mitigation and how to navigate complex regulatory framework in Indonesia.

Fast-paced

We understand that business deal is time-sensitive and we can cater your needs by getting things done according to the timeline.

Team with Expertise in Business Law

Our legal team consists of law graduates from reputable university with 5+ years experience of handling commercial transactions and have comprehensive knowledge in business law.

What You Get.

Business & Legal Consultation

Share your problem with us through consultation session. Our goal is to provide you with practical solutions for your business needs from legal perspective.

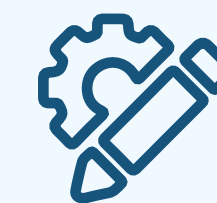

Clear Timeline

Time is money. We value your time as much as you do so we will not leave you with uncertainty. We will deliver our work based on the agreed schedule.

Handled by Legal Professionals

Our legal team are hands-on directly to serve our clients and be your guide who will navigate the complexity of laws and regulations in Indonesia.

Customized Solutions

Every business is unique and we believe that no one solution that will fit for all. Our solutions are customized according to the problems you are struggling with.

Meet The Founders.

Rafi Rizki Maulana, S.H

Chief Executive Officer

He obtained his law degree from University of Indonesia in 2017. Shortly after graduated, he pursued his interest in law and technology by practicing law as an in-house legal counsel in Jurnal (now Mekari). As a tech enthusiast, he had been actively involved in tech-related legal issues both in a law firm and a tech company.
